Dear Parents/Guardians

Last Sunday 28th June was the Feast of SS Peter and Paul, two of the greatest saints of the Church who were instrumental in different ways in the growth of the early church in the years after Jesus died. The word 'apostle' refers to 'one who is sent out'. Jesus needed people who he could trust to send out his message after he had gone. Both eventually died for their faith in Rome but have left a great legacy in their writings and by their example of steadfast courage and trust in God in the face of adversity.

*Almighty God, whose blessed
Apostles Peter and Paul glorified
you by their martyrdom:
Grant that your Church, instructed
by their teaching and example,
and knit together in unity by your
Spirit,
may ever stand firm upon the one
foundation,
which is Jesus Christ our Lord.
Amen.*

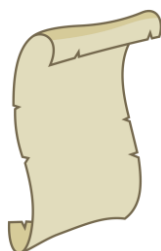

God Bless

Enterprise Week

Thank you to all who supported our Enterprise Week. Enterprise Week has several purposes: to teach children about money and running a business, to teach teamwork, to create a real purpose for Design and Technology activities, and last but not least to have fun. This week each class became a business and was given a loan of £10 to cover the materials they needed. They chose a product to make for sale, carrying out customer research and creating a financial plan. This year, the products were as varied and exciting as ever, such as ever popular crispy buns, fruit kebabs, painted stones, friendship bracelets, upcycled objects and fancy shaped crayons. Children clearly put a great deal of effort into producing work which others would want to buy.

Wimbledon calling

Some of you may have seen a former pupil Jaymie Palma, our very own Serena Williams, in the Telegraph and Argus this week. Jaymie is ranked number one in Yorkshire's under 12's section. We wish Jaymie continued success in her chosen sport and know that the many children who currently attend Heaton Tennis club from St Cuthbert's will go on to be future tennis stars!
