Carry on Cooking

Students have been cooking some delicious dishes at Ignis in a Food Technology after school Cooking Club. They made a range of

healthy, inspiring and economical dishes such as:
Inside out Veggie

Burgers , Broad Bean and Bacon Pasta, and for those of us with a sweet tooth Mango and Banana Muffins full of natural fruit sweetness.

Work in the Dolomite Region

14 BTEC sixth form students travelled to the Dolomite Region, Italy to embark on a work experience

project. They worked in a hotel, sports shop and water sports centre to gain valuable experience in both the travel and sport industries. They also had the opportunity to work alongside some world class football players of Napoli. The experience is directly linked to the BTEC programme that the students are following and has given them a real insight into working life in Europe. It wasn't all work, there was plenty of time for fun, rafting, canoeing and mountain biking.

This year continues to be a winning one for year 10 student Alice Mordue when she was voted Ice Skater of the Year at Bradford Ice Skating Club. Alice who has only been skating for 3 years and has already gained 1st place earlier this

Theatre Trips

A group of students currently studying A Level English Literature set off to the picturesque town of Stratford-upon-Avon to see Ben Johnson's play Volpone. The afternoon was spent exploring the town, then after an evening meal it was off to the theatre. Arriving back to school at 2am it had been a long but enjoyable day for all.

The second of the theatre trips was for students in year 8 who visited the Alhambra to see Shrek the Musical.

They too had a good time.
