*Ex-pupil Danny Murphy*

It is always lovely to hear how our past students are getting on. Danny was inspired to become a police officer through coursework in Public Services. We wish him the very best in his chosen career.

Year 12 engineers have been making an aluminium keyring to commemorate those who served in the Bradford pals regiments.

## Shakespeare SCHOOLS FESTIVAL

Our two year 11 GCSE Drama groups performed outstanding productions of Shakespeare at this year's School Shakespeare festival at the Alhambra Studio Theatre, Bradford. One group performed 'The Merry Wives of Windsor' directed by Mrs Voller and our second group performed 'The Tempest' directed by Miss Culliney. Both pieces performed to a sold out audience and received excellent feedback. Our girls were professional, focused and performed with enthusiasm, excitement and energy.

## Team work in The Dales

Well done to our Year 12 Public Services students who have completed their practical assessment involving commitment, map reading, control and team work in the beautiful surroundings of the Yorkshire Dales.

## Victory for Year 9

### Bradford Academy 1 – 5 SBSJ

This was our first trip to play Bradford Academy. After 10 minutes we were a goal down and BA were putting up a fight. The second half belonged to us as we demonstrated composure on the ball and sharpened up our passing. There was no one individual who stood out as all our team performed well.

Year 9 students took part in an advertising challenge where they had to convince a panel of judges to invest in their products. All the products pitched by the girls were Fairtrade and produced by real farmers employed through Cafod to ensure they receive fair wages. All the students involved shone throughout the lesson and the winners received a Fairtrade product as a prize.
