Chitty Chitty Bang Bang

At Christmas the English department arranged for over 50 Year 8 students took a trip to the West Yorkshire Playhouse to watch Chitty Chitty Bang Bang. All the students agreed it had been a brilliant experience for everyone.

Christmas Sport Camp

During the Christmas Holidays SBSJ ran a multi sports camp at the Ardor Sports Hall. The aim of this camp was to give parents the chance to complete that last minute shopping without the children. Instead of shopping, children, aged 4-15, took part in a series of activities which included dodgeball, soccer, cricket, circuit training, Christmas card making, musical chairs and many more. The next SBSJ sports camp will be on the 18th and 19th February. For full details or to book your child a place please email Mr S Hussain shussain@sbsj.co.uk

Prayer Theme for the week

Manchester German Market

On the 17th December students from St Benedict's Sixth Form took to the streets of Manchester to experience the German Markets. It was a thoroughly enjoyable day and a great way to end a busy term. There was last minute Christmas Shopping and a chance to enjoy some fantastic culinary treats from around Europe. Experiencing this wonderful city has inspired some students to consider applying to a Manchester University in the very near future.

Work Experience of a lifetime

This work experience is one I will never forget! Our hotel rooms were spacious and cosy the staff were very friendly. On the first day we visited the local town Madonna di Campiglio and sampled the local food. On our second day it was up the ski lift for our first lesson. By the end of the week we were all coming down the steep slopes. We were assigned to hotels in groups of 3 and worked shifts both morning and evening. At times this was tiring but when we were up on the slopes skiing throughout the day it was worth it. This experience gave me the opportunity to make great friends with people outside of my usual friendship group. Since returning home my work experience trip has helped me too gain a new job in an Italian restaurant. Report by Emma Smith Year 13.
